Notification of Withdrawal of Proposal and Withdrawal of Objection to Channel Change

LifeStyle Communications Corp. ("LifeStyle"), licensee of KJJJ(FM), Osceola, Iowa, through counsel, hereby notifies the Commission that LifeStyle is (1) conditioned upon the grant of the concurrently-filed Joint Request for Approval of Agreement ("Joint Request"), withdrawing its proposal, as advanced in the above-captioned proceeding, to add a new channel at Papillion, Nebraska; (2) withdrawing its objection to the Show Cause Order that has been issued with respect to KJJJ(FM) in the above-captioned proceeding; and (3) consenting to the modification of the facilities of KJJJ(FM) as specified in that Show Cause Order. In support of this notification, LifeStyle states as follows:

1. By *Notice of Proposed Rulemaking and Order to Show Cause* released April 25, 1996, 11 FCC Rcd 4732 (1996), the Commission, at the request of Platt Broadcasting, Inc. ("PBI"), licensee of KOTD-FM, Plattsmouth, Nebraska, proposed to substitute Channel 295C3 for Channel 295A at Plattsmouth so that PBI can upgrade the facilities of KOTD-FM. That channel change, however, would require KJJCFM to change channels from 295C2 to Channel 296C2.

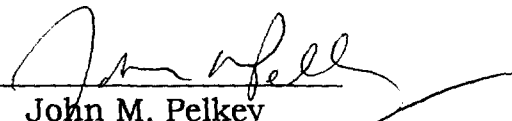

2. On the day established for the submission of comments, LifeStyle submitted a counterproposal. That counterproposal requested that the Commission amend the FM Table of Allotments to add Channel 295 to Papillion, Nebraska and to substitute Channel 299A for Channel 295A at Plattsmouth, Nebraska. LifeStyle committed to apply for the new FM station on Channel 295A at Papillion, Nebraska.

3. As is set forth in the concurrently-filed "Joint Request for Approval of Agreement", PBI and LifeStyle have now entered into agreements to resolve their mutually-exclusive proposals. Pursuant to those agreements LifeStyle is hereby withdrawing its counterproposal, conditioned upon the approval by the Commission of the Settlement Agreement to Withdraw Expression of Interest; withdrawing its objection to the Show Cause Order requiring KJJCFM to change frequency; and consenting to modify the facilities of KJJCFM to operate on Channel 296C2. As a result, Channel 295A in Plattsmouth can be upgraded to

Channel 295C3, with the result that KODT-FM will be able to improve its facilities and better serve Plattsmouth and its neighboring communities. The requisite documentation demonstrating compliance with Section 1.420(j) of the Commission's rules is included with the Joint Request.

Respectfully submitted,

LifeStyle Communications Corp.
